Nielsen is a leading global information and measurement company that provides clients with a comprehensive understanding of consumers and consumer behaviour.

Nielsen delivers critical media and marketing information, analytics and industry expertise about what consumers watch and what consumers buy.

We help our clients maintain and strengthen their market positions and identify opportunities for profitable growth.

Our current opportunity: 2 Days with Nielsen

We invite you to take a glimpse of what Nielsen looks like inside. Spend 2 days with us participating in career development activities and in company's worldwide social responsibility activity.

June 1 — Meet our leaders, find out how to become High potential employee, participate in a workshop defining your inherent personal style which will help you increase your success in both work and personal life.

June 2 — Join us on Global Nielsen Impact day, those purpose is to give back to the community we live and work in through volunteerism and resources. We spent this day helping those who are in need and socially insecure, contributing to environmental welfare.

Apply now!

To register please send your CV to hr.ua@nielsen.com with "2 days with Nielsen" title in the subject area.

Deadline is 27th of May, 2016.
